current **message series**

TODAY'S **message**

December 4th

Speaker: Dan Jarrell

Series: The Gospel According to Matthew

Scripture: Matthew 8:1-17

DISCUSSION **QUESTIONS**

1. Read Matthew 8:1-17 together and compare the different healings recorded there. Do they have anything in common? Are they different in any significant ways? What point do you think Matthew is trying to make by recording these specific events at this point in his gospel?
 2. Look at Matthew 8:4. Why do you think Jesus commanded the healed leper not to tell anyone about this miracle but rather to present himself to the priest and to offer sacrifices in accordance with the Law of Moses? What is Jesus hoping to accomplish with this requirement?
 3. Have you ever seen a legitimate miraculous healing? Tell of that experience and describe what you thought and felt when it happened. Why do you think we do not see more miraculous healing today?
