DISCUSSION **QUESTIONS**

1. What comes to your mind when you hear the word "church?"
 2. Read the challenge the Apostle Paul gives to husbands in Ephesians 5:25-32. What does this passage say about Christ's love for the church? Consider Ephesians 1:22-23 and 2:21-22. What more can you say about the church from these two additional passages?
 3. In light of what you've learned, why do you think a follower of Jesus should both love and be actively involved in the church? Practically, what does an appropriate love for and involvement in the church look like? How does your love for the church measure up? What about your involvement in and support of it?
