DISCUSSION **QUESTIONS**

1. What comes to your mind when you think of the phrase "Kingdom of God?"
 2. Every kingdom has both a king and the citizens of the kingdom. In a whole and healthy kingdom, both the king and the citizens have privileges and responsibilities. What do you think are privileges and responsibilities of the king? What about the citizens?
 3. Every local Christian church is a part of the larger kingdom of God. What do you think keeps us from working together as a part of that kingdom and how do you think we can go about overcoming those obstacles?
