LEARN IT!

What should I see?

The early believers were very dedicated and committed to each other. They closely followed the disciples' teachings about Christ so they could learn more. They did many things together such as have meetings, eat meals at each other's homes, and pray and praise God. The disciples taught about God and performed many wonders and miracles. They helped anyone who had a need. God increased their numbers daily as more and more people became believers. (Source: Acts 2:42-47)

Memory Verse:

Your love for one another will prove to the world that you are My disciples. John 13:35 NLT

What's the key?

The believers took care of each other. They met daily, shared their belongings, and demonstrated God's love to each other. We need to follow their example of loving one another.

What's that to me?

God wants us to be kind and helpful to other people – especially here at church. When we say nice things and show respect toward others, we set a great example to the rest of the world.

How should I be?

We can do things for others without being asked. We can give compliments and encouragement to people who need it. We can play with or talk to others who don't have many friends so that they will feel like they belong and have friends.

Practice Point:

**Other believers I will love,
Just as God does from above!**
