# LEARN IT!

What should I see?

Jesus returned to the city of Capernaum. When the people heard that He had come back to town, they all came to see Him. Soon, there was no room in the house where Jesus was speaking. Four specific men wanted Jesus to help their friend who was paralyzed and could not walk on his own. They cared about their friend so much that they carried him to the house where Jesus was speaking, cut a hole in the roof, and lowered their friend through the hole. They really wanted Jesus to heal their friend. Jesus was impressed by this act of friendship and faith. So, He said to the paralyzed man, "Get up and walk." The man did exactly what Jesus told him to do! He walked right out of the house for everyone to see. The people were amazed and they praised God.

## Memory Verse:

*Since we are all one body in Christ, we belong to each other, and each of us needs all the others.*

Romans 12:5b NLT

What's the key?

The paralyzed man had great friends who cared about him. His friends cared so much that they carried him all the way to the house and lowered him down from a hole in the roof. Those are true friends! There are many ways we can help our friends at school, in our neighborhood, and in our church.

What's that to me?

It is important to have friends that are there for us when we need them. Here are good questions for all of us to think about: How good are the friendships we have? Can we trust our friends to do what is right? Can our friends trust us? These are the values we need to think about when we choose our friends.

How should I be?

Get involved in a small group! By joining a small group at church and getting involved with church activities, we can find Christian friends and build healthy relationships. It honors God to have healthy and long lasting relationships with other students who follow Jesus.

## Practice Point:

**Be a friend who shows great care,  
And they will know that God is near!**
