

LEARN IT!

What should I see?

Jesus shared a story. "There was a man who had two sons. The younger one asked his father for his share of the property, and the father gave it to him. Soon, the young son packed up and moved away to another country, far from his family. After he had spent everything he had, there was a food shortage in the whole country, and he was in need. So, he went and got a job feeding the pigs. He began to get hungry and started to eat the pig food. Finally, the son came up with a plan to return home and work for his father. While the son was still a long way off, his father saw him and was filled with compassion for him. The father ran to his son, threw his arms around him, and kissed him. The son said to his dad, 'Father, I am no longer worthy to be called your son'. But the father had servants dress him up and throw him a party. The father announced 'My son was lost, but now is found!' And they celebrated his return."

Memory Verse:

Celebrate God all day, every day. I mean, revel in Him! Philippians 4:4 MSG

What's the key?

Although the Prodigal Son had lived life his own way, eventually he came back to his father's house. Because his father loved him so much, there was a great celebration when the son came home. Our heavenly father also celebrates when we follow His plan for our life.

What's that to me?

Even though the Prodigal Son tried to live life his own way, his dad knew what was best for him. Many times we try to do things our own way, but God truly knows what is best for us.

How should I be?

In order for us to truly celebrate the life God has given us, we need to continually follow after God's plan for our lives. We can learn from the Prodigal Son by following God's plan and not our own. When we do this, we'll enjoy life to it's fullest and find a true reason to celebrate!

Practice Point:

**If we follow God and do what
is right,
We can celebrate with all our
might!**
