Radio Vita (Life Radio) Project - Milan, Italy

A Unique & Urgent Opportunity in Italy

The Schaafsma Family - Church planters in Italy, sent out from ChangePoint as career missionaries in 1996. Michael & Nina have three children: Glori, Jake, & Max.

Radio Vita - Is a very **unique** opportunity to reach the city of Milan with the gospel of Jesus. It is the **ONLY** evangelical radio station that has the right to broadcast in Milan. Radio Vita exists to: 1) Proclaim the gospel of Jesus Christ using the airwaves to the city of Milan; 2) Edify and disciple believers in Milan; and 3) Help plant churches in southern Milan. In this there is an **urgent** financial need - To accomplish this it is estimated that there will be need for \$90,000 ASAP to get on the air and begin broadcasting.

The Director of Trans World Radio Italy has stated,
*“Radio Vita is the only hope there is to use the
airwaves to preach the gospel to the city of Milan”.*
